MEDICINAL. MEDICINAL. Digests what you Eat Dyspepsia Cure

A powerful engine can't be run with a weak boiler; and you can't expect to keep up the wear and strain of an active life with a weak stomach. Our boilers, or rather our stomachs, can't be replaced, and we cannot stop the human machinery while making repairs. But when the stomach is unable to digest enough food to keep the body strong, we can use such a preparation as Kodol Dyspepsia Cure. It digests what you eat, so that you can eat all the good food you want, without any distress after eating. "After forty years of sufering from indigestion, a few bottles of Kodol Dyspepsia Cure cured me."—Amal Bell, Fredonia, Pa.
